

\_flight\_log\_::blackbox

```
graph BT; A["_qrbp_::_pid_::pid_logger"] --> B["_flight_log_::blackbox"]
```

A diagram showing a dependency. A light gray box at the bottom contains the text "\_qrbp\_::\_pid\_::pid\_logger". A blue arrow points upwards from this box to a white box at the top containing the text "\_flight\_log\_::blackbox".
